2025

Work Experience

Freelance

Graphic Designer

2023-Present

- Collaborate with clients to understand project needs, deliver creative solutions, and meet deadlines.
- Exploring innovative design approaches across print and digital platforms.

Widescope Advertising Agency

Graphic Design Intern

June 2025

- Collaborated with the creative team and clients to revise and finalize ad designs ensuring timely delivery and visual impact.

UE CFAD- Mattereal: Confluence of Matter and Reality

Graphic Design Intern

May 2024

- I led the social media postings for a UE Fine Arts student exhibition, showcasing artistic creation as a fusion of materiality and reality. I managed and posted promotional materials to engage audiences and generate anticipation.

Projects

Adhaikain Studios

Creative Head

Present

- I handle the creation and management of our publication materials, ensuring that every piece of content posted on our social media reflects our vision, creativity, and brand identity.
- One of my roles is also planning for our creative outputs which involve documentary film, prints, and merchandises.

Báon Productions

Graphic Designer

November 2024-Present

- Lead the Creatives Committee Head for our seminar entitled “FilmKo, May Pelikulang?” A roundtable discussion exploring the influence of political discourse on the creatives industry enabling students to gain a deeper understanding of diverse narratives through experts' storytelling and creative processes.
- A part of the Creatives Committee for our film production “Himpala” which is a part of our thesis program. By managing and posting various promotional materials on our social media platforms. This included content to build anticipation for our film and support its promotion.

Projects

PLAVE Events PH- PLAVE Destiny: Anniversary Cupsleeve Event

Graphic Designer

March 2024

- A cupsleeve event where fans gather to celebrate the debut anniversary of the virtual K-Pop group PLAVE

Isang Dekada: Ng Pasasalamat, Paglilingkod, at Pagpapala

Graphic Designer

March 2024

- I contributed by designing the official T-shirt and creating the poster displayed on the LED wall. My work helped visually represent the event's theme and enhance its overall presentation.
